Circulatory System is a new project of W. Cullen Hart of **The Olivia Tremor Control**. He is joined on this album by several of his former bandmates, as well as masterful collaborators such as Jeff Mangum of **Neutral Milk Hotel**. After touring the globe with bands like **Stereolab**, **Beck**, **Super Furry Animals**, and **R.E.M.**, Will returned to his home studio in Athens to create his most personal and intimate album to date. Twenty-two sweet and melancholy song cycles bathed in hazy layers of dimension. Fuzzed out rock decorated with unique instrumentation.

SELLING POINTS:

1. Recently completed a tour opening for Chicago's **The Sea And Cake**.
2. The last album by **The Olivia Tremor Control** sold over 30,000 copies.
